- All classes must be booked before taking part.
- All cancellations must be made 2 hours prior to the class start time, failure to do so will result in a 7 day booking ban or the loss of credits used to book the class.
 - Please arrive to classes 5 minutes before the start time to allow for setting up.
- If the class has already started, then please DO NOT enter the studio as this disrupts the class and isn't fair on the instructor or those who arrived early.
 - PH* Private Hire – Studio is hired out to a private company or club
 - Virtual Spin classes are done in the spin studio in front of a projector screen.
- We recommend to do the 'introduction to spin' class if you have never taken part in spin classes before.
